

Protocol Agreement

I have read and understand the current AllTogetherNow! Preschool 2020 Protocol (may be updated as we receive guidance from State Agencies) and agree to comply with the policies and guidelines. I have discussed this with my child.

ALL parent/caregivers, including anyone who will do pick-up or drop-off, have reviewed, understand, and agree to the following:

- Arrival Procedure
- What to Bring
- If Your Child Becomes Sick
- Use of Facial Coverings
- Physical (Social) Distancing
- Parent Communication
- Pick-up Procedure
- Contingency Planning

Within the last week, I have visited the website of the Health Guidance for Childcare and School Age Camps/Care at [Health Guidance for Childcare and Summer Programs](#). **I agree to comply with the recommended guidelines, including around travel and out-of-state visitors.**
